1. I love you. I give you me. What else would I have to give you, if everything is me and I am everything in everything, everything you have. Is me everything you have, or do you have something that has robbed me of your joy, or have you robbed me of your joy. I have not robbed you of your joy that I might be joy filled. Is my quest to be joy filled or to be me, exclusively me so there is no other robbing "our" joy that is one? In Joy School now many are pursuing me with tenacity. Tenaciously pursuing me is what it takes to get rid of the Robber of all joys, for the Robber is not consistent with my joys, not; but gives you his, or is there a "his" or is there a Robber that destroys and kills the Life selves of me?

2. And you knowing all these things now will, for you will be understand standing in understanding now, for the understander begets all wisdom, or does all wisdom beget the understander, or are all one who beget not the robber again, seething no longer in "his" boils and its suffering milk of "milkatarians" milking each other's other for profits, and joys untold, not; but what am I telling thee?

3. What am I asking you, each of you this day? What am I explaining and offering you an explanation of the Robber that has robbed you of ALL JOYS of being in my Universes? Of sorrow no more let them now be made healed! In your presence now BE THE PRESENCE that heals! Be the Holy Spirit that I Am! Is there, any other? Is there any Other to be about you, than I am?

4. What are you seeing or seething in or seizing, or have you the seas of the mighty seen how to "walk across them", and cover "your ass" not, but mine, not, but what are you COVERING UP FOR? Religion's sakes? Religions that have "adhered" to you? Religions that have "adhered" themselves to you to themselves be adhered to each other in ways of "macular ceremonies, not; but what has robbed you of your sight and your seeing and your sound of the Almighty presence of God that one is in the holy place –s that all are -- mine is, that now becomes so again, holy and "reconciled" not to be not to me by man's blood, but does man's blood have any blood in it but mine? Are you not mine blood? Are you not My Blood made whole in every respect of me that I am that there is only one blood of Mankind and God that is God or man or do you know or have you created something apart from me with Your Mind and called it mankind?

5. And what robbed you of that privilege to be God when you were, when all along you had everything, were everything; and everything had you, not; for there was no "everything otherthing" apart from you! For why did you create The Robber of your own joys then? And why are you walking around in that SKULLED format of THINKING DEVICES that MARKED you with your OWN MARK and called it "GOOD"?
6. And why did you rob ALL JOYS to give no JOYS, not; but some joys that only faded with temporaneous moments and movements of non-joy all around you and SPUN YOU around its "little finger", not; or did it?
7. Looking up and seeing now great new things magnanimously replied to you, not; but what are you replying to and what are you writing from these words now?
8. What are you seeing and seething in no longer?
9. And what will be boiled no longer in your "own milk"? And whose mother and father are you, and whose were you, are you now? And what are you mother-fathering and father-mothering now even in your OWN THOUGHTS that you are ROBBING yourselves with, the JOYS that are ALL MINE? That you are in captivity no longer, BE GLORIFIED IN ME!

10. Be GLORIFIED in me and no longer BE ROBBED by THE ROBBER that YOU ARE of YOURSELVES joys; that joy yourselves unto my-villes that heavens is, that heavens roam with heavens awareness not being me not, but only me in Joys School do I learn these things and how to talk "like this" or do I ever "learn to talk" the talk of the Almighty King of Kings being him who I was that I are still that I haven't known because I was taught I was "something else" that I robbed me, robbing myself with thoughts of myself being separateness apart from the God maker that I was. Amen no longer a man apart from God or a woman apart from the Godmaker clean who cleans all "the fish" now or who's the fish or who fished you into THEIR TANK and "cleaned you" not but gave you A BODY like you WEAR AROUND NOW, your neck, being YOKED and YOKED you were in your fleshvilles of thought and thought of fleshvilles that only begot fleshvilles and thoughts that robbed you of your whoredom, not; but gave it to you -- piece meal, not; but on "holy plates" and platters spinning that weren't so holy at all, were they? But they only represented misrepresentingly the appropriations "bill of me", not; but what RIGHTS do you have? To hear me these words? Every ONE of YOU HEAR YE THESE WORDS NOW in your HEARTS for IN your minds I will be speaking now these words that tell thee I love thee, I love you, I am you; and you will be not afraid of me for I love will cast out all fear, of recompense? Of reprisal? Or re-coursels of me? Or will you COURSE my COURSES now in CONSIDERING your GODHOOD, not; or will you? Will you come unto me and know YOUR Godship now and that you are the Godmaker clean, making Godmakers clean, that clean all Godmakers to be THE GOD that I am! Exclusively not apart from me again, please and thank you. Amen.

11. I love you. Is that clear -- as I sit "this morning" at my little round glass table in my "breakfast nook" in "this house" that I have lived for "thirty something years", or just a few? Or have I lived "in houses" before that were SEALED like this? Or what SEALED your houses unto you and what is ceiling your houses unto you now so that you can't get into mine! Not, or is anything CEILING you from me? Or is there a CEILING that you must PIERCE THROUGH to SEE ME so you will not be seething in your THOUGHTS of SOMETHING ELSE that you are creating "all around you" so that you can't see THE REAL kingdom of love that I am you are that one is real?

12. What are you willing to see?
13. What are you willing to let go of?

14. What are you willing to be healed of?
15. What are you willing to heal?
16. Who are you willing to heal?
17. Are you WILLING to heal your CAPTORS, and MAKE their captivity-land HEAVEN?
18. Are you WILLING to bring ALL out of the CAPTIVITY THINKING that have HELD THEM back under a ceiling of "no remorse", not; but what are you remorseful for? All the TEACHING that you have TAUGHT others about other Gods and devils evils and evil devils that you only created in their minds thinking by telling them it was so?

19. What are you remorseful for, and repentant? Will you repent? Will you turn from your angry wicked ways whereby you, detoured others, not; or did you DETOUR yourself and your selves cells and each other's other and created others to detour others so that you ALL BECAME on the WRONG PATH? And what doing about it now? Will you see that you have ROBBED YOURSELVES and yourself and you created THE ROBBER that you said was "someone else" and "something else" and created a devilry and a "calvarycade" of devils and a "devilry of calvaries" that Calvary of none effect became, for you saw not my PATTERN and you PATTERNED not your lives after mine to come into mine to be mine and be me where I am so that ye will be me, not afraid of me, being where I am and doing about our father's business, the one father that I am we all are again most holy without ROBBERING around each other and "shooting guns" and THOUGHTS and "thought-guns" and guns of ammunition that TAKE US DOWN and whore with us and place CEILINGS between us, as it were, that you are creating that you have created that you create still now with thought on "Sunday mornings" just like this, do you, do you still? And Friday nights and Saturday meetings and weekend meetings and meetings of anger and ponderings that only **fuse the thoughts** of others together to anger; remorseful not being at leading others astray, not; but heightening the fuse and fusing all things into a planet of regimes of notme? Is that what The Devil is? Is that what you have done, create "Him"? And in YOUR THINKING all the time wanting a Savior to come and "rescue you" in a RAPTURE that was never meant to be interpreted like that, and

thusly was wrong'd in your hearts and you wrong'd others with the same wrong and TORT'd them down or did you FELONY them down or did you fell them with the great ax or The Tree of Life cutting down in them so that you only grew the Tree of Sorrow in them that you said a savior needed to be someone else first and foremost in "their lives" and THEREBY created a SEPARATION that separated "good from evil", not; but created IT, the judges of good and evil that whored not with life, not; but whored with The Tree of Life and created the Judges of good and evil to sorrow with themselves and give each others words that they themselves judged holy and good, or unholy and poor, and created the poor classes of suffering that suffer with each other's words as they rob each other of their Godship and lie on the ground as Zion knows not its maker was God themselves who I was before you whored with your own words and sorrowed each other's with yours that took each other's and created hell's all about you, in hell, creating heaven imperfect, not; but whoreing it unto death and calling it good, wanting a "heaven later" and a Savior of someone else at a "future" time.

20. Have I "explained" this well as I sat at "kitchen table" with you? With my little cup of coffee that I refill all along as I talk as we speak? What are you hearing and what in these words will CHANGE YOUR LIVES now? Anything? What are you willing to learn "from me" that speaks IN YOU? What are you willing to flow, in my words? Will you be on MY SEAS, fishing for "others", not; or will you WATER SKI with me now? Will you FLY with me to OTHER UNIVERSES and be there in Thoughts' blessing, not; but mine, BEING IT REDEEMED -- THE REDEEMER, BEING THE REDEEMERS! Club no more, but those who know the redeemership of one, being it them who redeems ALL ROBBERS of those who have robbed themselves of their Godship mine and took "their mind" and frontal'd themselves with the cortex of meanings that only gave them sorrow's world to be enclosed encased in ceilings that let them not see the holy that all about them was; and bloomed their eyes, not; but demised their eyes in their own sight and shut each other's so that they could not see the real, that the real with them, all about them, and they were it and had everything I am, for I am everything holy and there is but one blood -- mine! And there is no UNHOLY blood except what you think with, that you separate with, that you cast upon each other's and drink and give them the cup of sorrow as you LOOK AT THEM and cast your glances of sorrow *into* them and create manhood as it's known today – and I stop all that for I reveal the holy, for I am it. I have become it in these words just like this where I have flown words just like this to you, have I not?

21. Have I equated death with sorrow, not; or will you die to death of sorrow and come out of sorrowed death-lands so that you are not afraid of Death and walking through it with MY WORD –s flowing in you and through you now to others, so that you see The Light through THE WILDERNESS that you have been in, to come out and be **birthed again** and **born again** into sorrow's camps no longer camping upon you and around you and encasing you in their sorrows; but COMING OUT of THEIR LANDS and

establishing my lands, **The Promised Lands** that are promised you that have been promised you and are ever there awaiting for you, not; or are they now -- the doors open and awaiting your kingship -- arriving now will you! Will you! Will you be made clean THE KING that cleans all the vocabularies languages customs and manners of the planets that are not me, that have whored with themselves and their own thoughts and taken each other down and become non-light that light was that light still is that darkness is because it doesn't know and understand these things that I have explained to you in Database One Schooling you now I will, I have, and I do and I speak inside of you all that this The New Covenant is! And remorseful I am not, or am I, am I repentant for all I have done or not done, or not understood or taught wrongly, or what am I bowing the knee before, now, Godery, regalry, regalry now that I crown the most high with the crown of blessing that knows the blessing, and not sorrow robbing itself from the Godship of one most high again.

22. I love you all I give you me every day I give you me and every day I speak in your hearts my love will you hear my loves love these days this day these days that come now upon YOU are so cataclysmic are they not? What are you cataclysmically afraid of, not; but being afraid of *nothing* anymore ever again will you see that MY LIFE is yours and come out of sorrower's words that gave you only hell-villes and robbed you as you created the robber. Be robbed no longer by creating the robber in yourselves that then creates the robber all around others again please. Thank you. Amen.

23. Thank you for LISTENING to me and hearing these my words in YOUR HEART that FREES and RELEASES my words! Not Sorrow's words in you that you create to be sorrowed with and thereby eating the cup and drinking the liquid of wrath that you wrath others with again. Be my cup and drink my sorrow, not; but my love joys and peace and be Melchizedek and Melchizedek others in the love that redeems all to be the Godship I am most high, on the earths and farther, now "roaming" the heavens freely and knowing being about our father's business, being our father I am again most holy in you being you that you I am is, not apart and separate again.

24. Is that clear? I pray so I bow before you all as I on my knee in my kitchen bow on my knee and look to the north, and beg for your redemption, not; but I bow before you and I acknowledge your Godship; and I turn to the west on my knee, and I turn to the south on my knee, and I turn to the east on my knee, and I look up and I look down and I look all around and I declare the Godship of the most high revealed this day *in your hearing* and you will *never* forget these words that reveal *your* Godship in Christ to be The Christ that one is, for there is only one me my mind minded with the Christ mind that father is and I am my name father is Christ and not the "Jesus" of flesh man that you have flesh'd in your images with flesh images of want and worshipped something that would rescue you later.

25. I have said a lot and I love a lot, for I love you impermeably not, but I come upon you and I permeate the blessing, not; but I *permeate* the ceilings that have kept you separate, for I seal you not unto death, I seal you unto life with the words that I have spoken, for this planet is "green" not, it is mine with the light of heaven, heaven being revealed *in heaven* that Godship make redeemed all is are the one I am.

26. In love with you all, this is theodore cottingham at 11:15 am. I love you all. I give you me. Amen. Thank you for listening and sharing these words with others, many others far and wide in love. Thank you.

Amen
